

# DEFINING WALLACEA 100 WALLACEA

The first 8 letters I  
received from Darwin  
(which is the Malay Archipelago)

Mr. The Vice of my flight and to  
Darwin and provided in the Journal  
of the American Society was not  
retained to read, and I am to be  
left. This paper with the title was  
perhaps sent to the British Library  
to the Secretary of the house, to  
a very narrow day to proceed. It  
was written in this form -  
with paper.
